

**KHASHOGGI SIDE****SCENE FIVE: KILLER QUEEN'S PAD**

*A crash of Underscore and The KILLER QUEEN and KHASHOGGI enter.*

**KILLER QUEEN**

Well Khashoggi, how goes the rebel pursuit? Have you found this place of Champions?

**KHASHOGGI**

Not yet, Madam. The legend, it seems...is a myth! Or, if you prefer, the myth is a legend.

**KILLER QUEEN**

I like it both ways.

**KHASHOGGI**

Well Madam, you were uploaded from an Adult Content Video Game.

**KILLER QUEEN**

Happy days. And more to come Khashoggi, Because we've won! The Bohemians will never achieve their 'Rhapsody'.

**KHASHOGGI**

With respect, Ma'am, the Bohemians remain dangerous. All they need is a leader, that's all it takes. One young soul rebel. One crazy kid with a dream, a guitar and a bad-assed babe to fight for.

**KILLER QUEEN**

Could such a hero exist?

**KHASHOGGI**

Oh, but he already does, though he doesn't know it. He does not know himself at all. But I do. I've always had a talent for spotting potential.

**KILLER QUEEN**

And crushing it.

**KHASHOGGI**

That is my job, Ma'am. *(Both laugh)* And with the last dream extinguished there will be nothing left on the iPlanet but entirely untrammelled marketing and completely uncritical consumers. Put them together and what do you get?

**KILLER QUEEN**

Alchemy, Khashoggi. Pure Alchemy.
